Nicole Garnham joined Real Estate Dynamics in 2016 as a RED Assist Consultant. With a background of over 6 years working in the Real Estate industry and extensive experience and knowledge of Property Management, Nicole welcomes callers on the RED Assist line for best practice and general Product support.

Having worked in Administration, Buyers Agency and as a Senior Property Manager, Nicole's experience within the Industry led her to Real Estate Dynamics with an aspiration to help others accomplish better Property Management. With a focus on attention to detail, especially towards policy, procedures and legislation, Nicole strives to achieve the best result for our RED Assist callers and our extensive client base.

Nicole has used PM BOSS extensively to great success in her previous Property Management life, including its use to help the Agency she worked with, to gain Quality Assurance.

Nicole has been married to her partner for eleven years. Together they have four fur children, two Boxer dogs, Ollie and Archie, and two Burmese cats, Cooper and Charlie, with whom they enjoy spending their weekends giving love and attention. Family is very important to Nicole, and she enjoys the special moments she has with them. This fostered her love of Photography and Scrapbooking. Over 12 years ago, Nicole picked up the camera with the desire to capture those special memories, and preserve them through Scrapbooking, and has loved it ever since.

Nicole looks forward to welcoming you on the RED Assist line whenever you have a Property Management enquiry or need assistance with a sticky situation.
