Stephen Gray brings a wealth of knowledge and expertise in Real Estate Agency and Rent Roll operations to his Clients and Customers.

His talent and skills gained from the experience of past years as a Principal Licensee are well utilised in his role as a key member of the company's team of specialists providing the leading brokerage services to those selling or buying a Rent Roll and / or Real Estate Agency business.

Stephen's knowledge is diverse and covers all practical aspects of Agency practice and management, strategic planning, administration, property management operations, Rent Roll growth and development, human resources, risk management, legislation, systems, training, audits, successful acquisitions and exit strategies for business owners as well as due diligence and specialised Contracts for Rent Rolls.

With impeccable credentials and coupled with his 100% commitment to Client service, Stephen quickly builds trust with Agency and Rent Roll Sellers and Buyers.

Stephen demonstrates his abilities by taking action and keeping Clients informed throughout the sale or acquisition process with his sole focus being to help Principals and business owners achieve their goals.

If you are thinking of selling or buying a Rent Roll or Real Estate Agency, contact Stephen for a confidential discussion. You'll be glad you did.
