

# LEESA SINN

CLIENT SUCCESS MANAGER

e clientsuccess1@realestatedynamics.com.au

With a successful career spanning 19 years, Leesa Sinn brings a diverse skill set across Real Estate, Property Management, Learning and Development and Management and Leadership to her role of Client Success Manager at Real Estate Dynamics.

For over 9 years, Leesa worked for agencies across South East Queensland, having held senior roles exposing her to all aspects of a Real Estate and Property Management business.

Most recently, Leesa worked for a market leader of property software for close to 10 years. She rapidly progressed through the company starting as an Education Consultant, responsible for managing and delivering software implementations and training to Property Management businesses throughout Australia and New Zealand. Leesa's high level of ability was recognised and she moved into a senior management role where she was responsible for the overall leadership of a large national team of trainers and professional partners. She was also accountable for the strategic direction of learning and education initiatives for clients and professional partners.

Leesa has a passion for the real estate industry and for developing capability in people to help them grow and perform at their best. She holds a Certificate IV in Training and Assessment, Diploma of Vocational Education and Training and a Diploma of Training Design and Development.

Clients are wowed by Leesa's high level of professionalism, strong work ethic, personable nature and positive energy.
